

Jackson/Reese Endowment for WorldCrafts

WorldCrafts
tells the stories
of people who can't
tell for themselves.

WorldCrafts brings hope to men and women in need, not only physically and financially, but also spiritually. We don't just give relief. WorldCrafts partners with artisan groups in ways that transform entire communities and lives. We provide

distribution and marketing for impoverished artisans around the world. You can help WorldCrafts continue telling these stories and bringing hope by giving to the **Jackson/Reese Endowment for WorldCrafts**.

The Jackson/Reese Endowment provides essential support to the WorldCrafts ministry as a *whole*. It expands the work to include new artisans, reach new countries, and build new relationships. *A gift to this endowment enables WorldCrafts to touch more people and bring more beautiful, affordable artwork to you.*

When you purchase WorldCrafts products, also consider giving to support WorldCrafts through the Jackson/Reese Endowment. All gifts are tax-deductible, and you can be sure that your gift will help make a world of difference.

*"This is my cup of cold
water, this is what we can do."*

*~ Ann Reese, creator of the
Jackson/Reese Endowment*
