

Instructions

Thank you for your interest in WorldCrafts and the artisans. There are three sizes of printable artisan cards to choose from. Select which card you would like to use after you print this PDF file to your printer.

The two small cards to the right need to be cut out along the solid lines. The larger card at the bottom of the page needs to be cut out along the solid lines and then folded twice along the dotted lines. The photograph will appear as the front of the card and the text about the artisan group will appear inside the folded card.

WorldCrafts

Your purchases of handmade WorldCrafts products give artisans and their families around the globe hope for a better life.

Village Artisans

As a minority group in India, Muslim herdsmen continually face discrimination, making it difficult for them to find jobs and access government benefits. Although they grow wheat and corn and raise cows or water buffalo, they only earn \$1 per day. Many are now homeless because of a powerful earthquake in 2005 and suffer with the effects from contaminated water. Artists, mainly men, working with Village Artisans use their talents in soapmaking and paper products to earn an income, which helps them to rebuild their houses and dig deeper, cleaner wells.

WorldCrafts

The Art of Hope

WorldCraftsSM partners with artisan groups throughout the world to import and sell products that enable impoverished families to have a better life. WorldCrafts is a member of the Fair Trade Federation and requires artisan groups to abide by the Fair Trade Federation standards.
