

WORLD CRAFTS

Our vision is to offer an income with dignity and the hope of everlasting life to every person on earth.

Established in 1996, WorldCrafts began with just one artisan group, Thai Country Trim, in Bangkok, Thailand. Today we work with dozens of artisan groups to import and sell hundreds of fine, handcrafted items from more than 30 countries around the globe. And we still work with Thai Country Trim, helping them employ more and more women at risk of abuse and exploitation. That's who we are. Committed. Holistic. Fair trade.

We are committed to the in-country partners and artisan groups with whom we work. Our goal is to help create viable, fair employment for women and men in poverty.

We are holistic. Our artisan groups seek to meet the physical, emotional, and spiritual needs of their workers. Men and women receive job training. Women find a safe haven as they leave the sex industry. Families and communities discover the abundant life.

We are fair trade. WorldCrafts abides by and requires all partnering artisan groups to abide by Fair Trade Federation guidelines. Artisans receive fair wages and goods are produced in an ethical and environmentally friendly manner.
